Note: Grantsburg Telcom will notify Diggers Hotline to locate natural gas, electric, and communication utilities. Grantsburg Telcom and/or its agents, are not responsible for damage to your privately owned facilities that are not properly marked with stakes, spray paint or flags before work begins. If you are unable to properly locate and mark your privately owned buried facilities, contractors will do it for a fee.

Surface restoration

After construction activity is complete, we will backfill with existing soil and mound the affected area. Restoration of the affected area is the responsibility of the property owner.

Authorization

I certify that I own or am the authorized representative of the person(s) who owns the property indicated in this application. I certify the information provided is accurate and I will promptly inform Grantsburg Telcom of any plan revisions. If installation requirements differ from what is submitted on this application, I understand these changes may result in additional fees.
